Training Grants, Financial Literacy, Emerging CU Support Highlighted In \$170,000 Grant & Program Initiatives

Goal: Exceed the 13,000+ lives impacted last year through Foundation initiatives

The Credit Union Foundation Board of Directors, in approving the largest pool of grant funding in the organization's history, has chosen to focus on credit union staff and volunteer training (*see TurnKey insert*), financial literacy programs, and assistance for smaller, emerging credit unions. The Foundation also re-committed to heritage programs, including the popular Credit Union College Scholarship offering, the LINX sharing site, and the Credit Union Finder™ mobile device app.

Training Grants For CUs Up To \$150 Million In Assets

Credit unions with up to \$150 million in assets now benefit from the Foundation's Training Grants Program. Under the program, credit unions may apply for training expense reimbursement of up to 75% of the cost of training courses. Applicants select their preferred training provider and reimbursements apply to both in-person and online training.

Financial literacy funding continues to help the Foundation meet credit unions' needs for financial education support and to allow the expansion of the Foundation's Millionaire's Club high school program.

Credit unions of any size may apply for funding to support their financial literacy offerings. Priority is given to those credit unions that participated in the "April Is Financial Literacy Month" campaign and observance.

Roycroft Masters Offer Free Guidance, ALM Assistance

The Roycroft Masters Advisory Program offers free management engagements guided by experienced credit union professionals to more than 100 emerging credit unions

in Maryland and D.C. The volunteer Masters have also pre-negotiated preferred Asset Liability Management Modeling pricing from established ALM Modeling providers and can couple those modeling resources with personal visits to explain and implement modeling.

Additional information on the 2015 grants and programs can be found at the Foundation's newly-renovated website, www.cufound.org.

Balto. Co. Employees FCU Member Earns Scholarship With Photo-Based Entry

"The coins and the sprout represent watching your money grow even if it starts from something as small as pennies."

That's how Baltimore County Employees FCU member and scholarship winner Autumn Miller described the photo she entered in the Credit Union College Scholarship's photo category.

Judges selected the photo from among sixty-eight images submitted. Applicants were asked to capture the theme, "Thrift," in a single photo.

"This scholarship award will go toward my tuition at Towson University where I'm studying Early Childhood Education," added Miller.

Scholarship Participation Reaches New High; As 401 Members From Sixty-Nine CUs Apply

One Hundred Four Judges Rate Essays, Photos & Video Entries

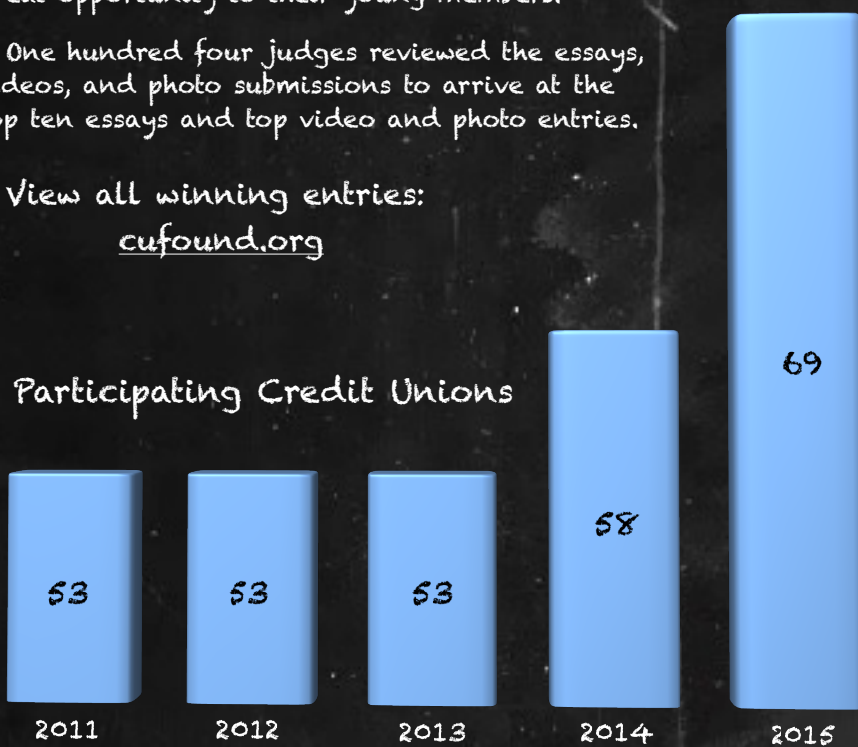

College-bound members from a record sixty-nine credit unions throughout MD & DC applied on the Foundation's new totally on-line application system this year. The 2015 \$12,000 College Scholarship Program attracted four hundred and one applicants.

"The scholarship is structured so credit unions can promote the scholarship offerings as their own," noted Kyle Swisher, Foundation Executive Director. "We provide the funding, promotion kit, online application and review system, and volunteer judges. This is a perfect way for credit unions large and small to offer a great opportunity to their young members."

Wine Me Up! Event Supports Training Grants

Wine Me Up! is the Foundation's new, fun way to support training grants for credit union professionals and volunteers.

Here's how it works:

Friends of the Foundation are invited to donate wine to *Wine Me Up!*

Attendees at the MD | DC Credit Union Association Annual Meeting & Convention (June 7 to 10, 2015 in Ocean City, MD) may purchase \$20 wine tickets at the Foundation's exhibit booth.

Each ticket allows the holder to "pull" a covered bottle of wine from the selection available at the Foundation's exhibit booth. The wines range in value from \$10 to \$200+.

It's like an adult grab bag!

Complete *Wine Me Up!* details are available at www.cufound.org/how-you-can-help/wine-me-up/

Donate a bottle of wine and/or purchase a ticket at the MD | DC CUA convention - either way you're supporting important training grants!

Keen Eye Could Earn You \$200 Cash Reward!

To encourage readership and add a little fun to *Potential*, we're awarding \$50 per issue to one lucky reader who finds and reports their winning number. The award grows with each issue that the prize goes unclaimed and now stands at \$200!

Alongside your name on the address section of this issue of *Potential* is a number that stands perpendicular to your name and address. Find that exact number printed in **blue ink** elsewhere in this issue, report it to the Foundation at info@cufound.org, and you win the entire pot!

Readers must respond with their winning number within 30 days of publication by calling (443) 325-0771 or emailing info@cufound.org

Only subscribers whose addresses are on file with the Foundation have assigned numbers, so make sure you're on our mailing list. Read *Potential* carefully, your number may be in this very issue!
